Our Masked Family Dance was a HUGE success thanks to our awesome volunteers, our amazing Masked Singing Contestants and our outstanding attendees.

We could not have done it with out you all!

Congratulations to Ms. Brummel on winning our coveted Golden Mask! Mrs. Apple, Ms. Marsha and Mrs. Goode all deserve a big round of applause for their performances too. It was a very close competition!

Together with our families we were able to raise about \$1,500 for our teachers. Thank you for your continued support!

There will be a volunteer training starting at 6:30 before every PTO meeting

Adopt an Educator American Education Week

Last year was such a hit, we are planning to do it all again!! We will have the option to "adopt" a staff member in each of our buildings, for American Education Week (Nov 18-22). Let's see if we can make all our Louisburg Elementary School staff feel special. From our custodians, teachers, cafeteria staff to the Principal--we will send out questionnaires to all staff to help generate ideas. Watch for a sign up to provide a gift for your educator or staff member. Once you have your staff member, we will send you their list of favorites, the rest is up to you.

Thank you to our sponsors

Huge Shout out to all our sponsors local and franchise businesses who were willing to donate to our auction, donate food/drinks for the event and who were willing to sponsor the event. The event would not have been as successful without our amazing teachers who were willing to donate an experience for us to auction off. The kids have loved all the opportunities provided. Thank you to our sponsors:
