

LES PTO MONTHLY NEWS

We Stay Wildcat Strong!

What a crazy year it's been! As the school year wraps up, we'd like to thank the parents, teachers, and community for making this one of the most successful years the PTO has had. From volunteering, donating, or coming out to have a great time with us, you have shown us over and over again what it means to be part of the Wildcat Family, and we are proud to be a part of the Louisburg community. Special thanks go out to Dr. Biermann, Mrs. Yoder, Mrs. Fleming, and Mrs. Apple. We truly appreciate being allowed to serve our children and community.

We would also like to thank this year's board members for the incredible amount of time, effort, and passion they brought. Rebecca Bockleman, Diana Campbell, and Rebecca Little won't be returning to next year's board, and we'd like to take a moment to let them know how appreciative we are of the work they put in. Thank you, ladies, for the long nights, millions of emails, and dedication. You'll be missed!

Next year's board has been fully filled without the need for voting. We got incredibly lucky in having exactly the right number of nominees to fill each spot with no positions having more than one interested person. We're excited to have a full board for the second year in a row with many returning members!

What about events next year?

We're feeling ambitious after coming off of such a great year, and we have a full schedule for the next year! Dates are still tentative as we await facility request approvals and ensure our scheduling doesn't conflict with any other district events, but here's what we have so far!

Carnival - Sept. 19, 2020

Mother/Son Night - November 14, 2020

Father/Daughter Dance - January 30, 2021

Adults Only Night - March 6, 2021

Bingo Night - April 2021

Flock the Yard - April 2021

As always, more information will be made available as we get closer to each event, and questions can be sent to lespto@outlook.com or via our Facebook page.

Wild Kitten Kitchen

Hey Wild Kittens! Let's get back to the kitchen and make animal toast! Start with some toasted bread and spread your favorite topping on it. Cream cheese is my favorite, especially since it comes in tons of flavors. Next you need to pick out your toppings. Are you going to need bananas for eyes or ears? Ask an adult to slice them up for you, and be sure to say thank you. Maybe you don't love bananas, so try kiwi instead. Raisins and blueberries make awesome eyes, and so do chocolate chips. If you don't want to make an animal, you can always make an awesome design with whatever you have. Have fun with it, Wild Kittens, and post your creations on our Facebook page!

School Kits

The school kit program is almost over! These kits contain almost everything your child will need for next year, including Ziploc bags, pencils, and more! School kits also have the benefit of being less expensive than buying the supplies yourself, and they're delivered during back to school night, so pick up is a breeze. This is a great way to save time, money, and support your PTO!
